

I am going to the San Antonio Aquarium.

There are a lot of fun things to see there.

I will stay with my family.

I will follow the rules.

I will have lots of fun!

I will see dinosaurs!

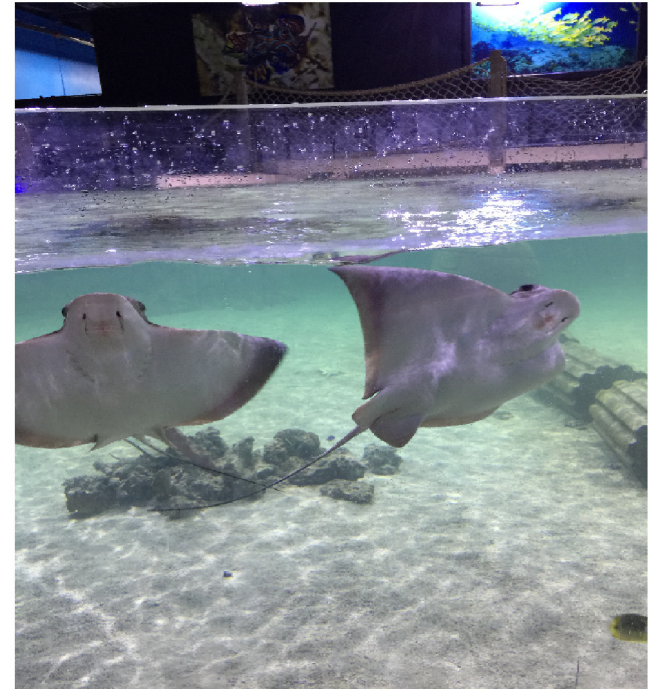

I will see an octopus.

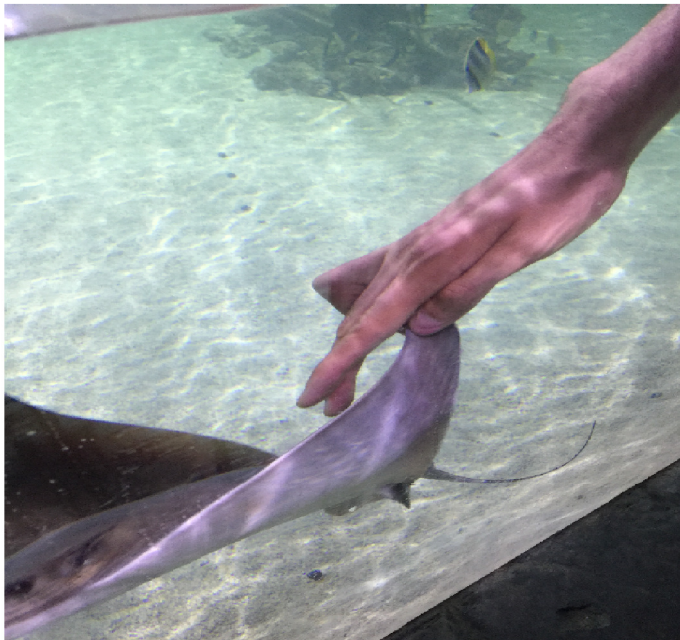

I will see little fish.

I will see big fish.

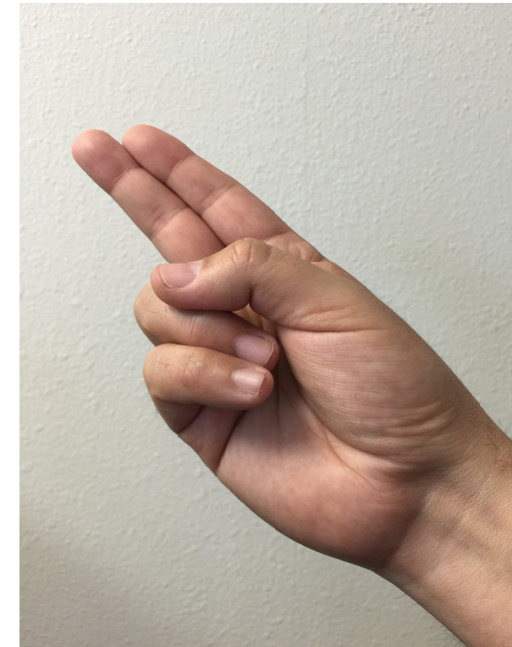

I can use 2 fingers to touch the fish.

I will see a big shark.

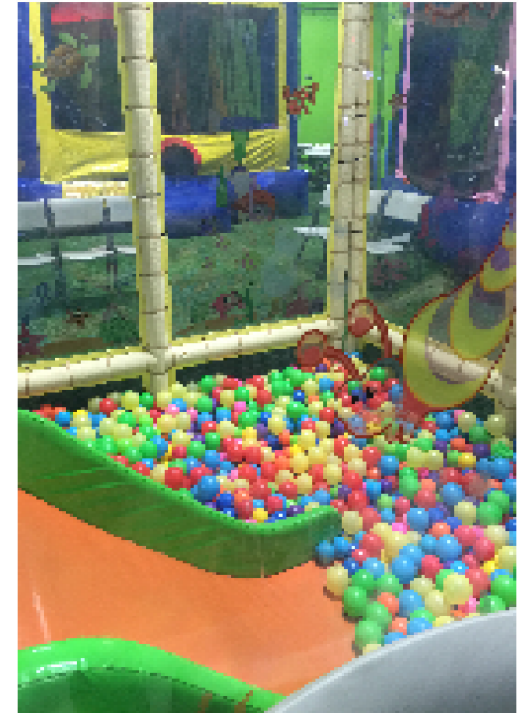

I will hear and see birds. The birds fly and I can touch them with two fingers.

When I go into the bird cage, the birds will fly around and touch me.

**I will have fun in the I-Guana Jump Bounce House.
I will wear my socks to play in the Bounce House.**

If I need a break, I can go to the Pretend Store, Blocks room or other quiet places.

I can have fun at the San Antonio Aquarium.
