CANCER INFORMATION SERVICE

- *Provide the latest and most accurate cancer information to patients and families, the public, and health professionals including answers to questions about cancer, ways to prevent cancer, symptoms and risks, diagnosis, current treatments, and research studies. Telephone callers speak with knowledgeable, caring staff who are experienced at explaining medical information in easy-to-understand terms in English or Spanish. They take as much time as each caller needs, provide thorough and personalized attention, and keep all calls confidential.*
- *CIS also distributes written National Cancer Institutes (NCI) materials.*
- *Makes referrals to clinical trials and cancer-related services, such as treatment centers, mammography facilities or other cancer organizations.*
- *They assist smokers through NCI's Smoking Quitline at 1-877-44U-QUIT (7:00 am to 7:00 pm Central time).*
- *Through its Partnership Program, the CIS collaborates with established national, state, and regional organizations to reach minority and medically underserved audiences with cancer information.*
- *Live, online assistance to users of NCI Web sites through the LiveHelp link, an instant messaging service in English is available from 7:00 am to 10:00 pm Central Time, Monday through Friday.*

Ages Served:

PHONE: 1-800-4-CANCER

SOCIAL SECURITY ADMINISTRATION

- *Retirement Benefits: A. Retired worker insured for social security benefits, payable at age 62 or older. B. Wife or husband of insured worker, benefits payable at 62 or older. C. A wife or husband of insured worker can be entitled to benefits earlier than age 62 if they are caring for a child under age 16.*
- *Survivor's Benefits: A widow or widower of a deceased insured worker can receive benefits at age 60 or older. If the widow or widower is also disabled they may receive benefits as early as age 50. A widow or widower may receive benefits at any age if they are caring for a child under age 16.*
- *Children's Benefits: Children of a deceased parent or a parent who is receiving social security benefits can receive benefits to age 18. They may continue to receive benefits to age 19 if they are still in high school. If the child is disabled, and the disability began before age 22, the child may receive disability benefits from the parents social security record for as long as the child is disabled.*
- *Disability Benefits: An insured disabled worker. Wife or child of the insured disabled worker. The wife and children must meet the same age criteria as mentioned in the retirement and children's sections.*
- *Supplemental Security Income: Must be age 65 or older, blind, or disabled. Must also be a U.S. citizen or national. Certain non-citizens also may be eligible. Must have assets of less than \$2,000 (\$3,000 for a married couple), we do not count the home, one car and some life insurance or burial funds. Call phone number for income limits in your state.*
