## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Any Baby Can of San Antonio, Inc.  
San Antonio, Texas

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of Any Baby Can of San Antonio, Inc., which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Any Baby Can of San Antonio, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Any Baby Can of San Antonio, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Any Baby Can of San Antonio, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Any Baby Can of San Antonio, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Any Baby Can of San Antonio, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 16, 2024 on our consideration of Any Baby Can of San Antonio Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Any Baby Can of San Antonio, Inc.'s internal control over financial reporting and compliance.

Armstrong, Vaughan & Associates, P.C.

ANY BABY CAN OF SAN ANTONIO, INC.  
NOTES TO AUDITED FINANCIAL STATEMENTS  
JUNE 30, 2023 AND 2022

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Any Baby Can of San Antonio, Inc. (ABC San Antonio) is a not-for-profit corporation that provides support services for families who have children with disabilities or chronic illness, residing in Bexar and the surrounding nineteen counties. ABC San Antonio links medical, educational, and social service agencies, and serves as a central clearing house that provides case management as well as bereavement services, autism services, financial assistance, health and wellness programming, and prescription assistance to children and their families.

Basis of Presentation

The financial statements of ABC San Antonio have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP). The accompanying financial statements include only the accounts of ABC San Antonio.

Net assets, support and revenue, and expenses, gains, losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in the general operations and not subject to donor restrictions. Assets restricted solely through the actions of the Board of Directors are reported as net assets without donor restrictions, board designated.

*Net Assets With Donor Restrictions* – Net assets subject to donor-imposed stipulations that may or will be met either by actions of ABC San Antonio and/or passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

ABC San Antonio considers all unrestricted highly liquid investment accounts with an initial maturity of three months or less to be cash equivalents.

Short Term Investments

Short term investments consists of certificates of deposit with maturities of more than three months but less than one year.

ANY BABY CAN OF SAN ANTONIO, INC.  
NOTES TO AUDITED FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2023 AND 2022

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Fair Value of Financial Instruments

The Fair Value Measurements and Disclosures provision of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, defines fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement, and expands disclosures about fair value measurements to include how fair value is determined for assets and liabilities. ASC 820 clarifies that fair value is an exit price representing the amount that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants. An instrument's categorization within the hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The significant levels of inputs are as follows:

Level 1 - Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs that include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 - Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions as there is little, if any, related market activity.

The carrying amounts for cash equivalents and short-term investments approximate their fair value because of their short-term maturity.

Investments

Investments are carried at fair value, and realized and unrealized gains and losses are reflected in the Statements of Activities. Investments acquired by gift are valued at amounts representing estimated fair value at the date of the gift.

Receivables

Accounts receivable are stated at unpaid balances. ABC San Antonio receivables are individually analyzed for purposes of determining collectability at year-end, and to ascertain if an allowance is required. The allowance is based on experience and other circumstances which may affect the donor's ability to meet their obligation. It is ABC San Antonio's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. An allowance was not deemed necessary for years ended 2023 and 2022.

ANY BABY CAN OF SAN ANTONIO, INC.  
NOTES TO AUDITED FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2023 AND 2022

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Promises to Give Receivable

Promises to give receivable are unconditional promises to give that have not yet been received. Promises to give due in the next year are recorded at their net realizable value. Contributions and promises to give due in subsequent years are recorded at the present value of their net realizable value, using interest rates applicable to the years in which the contributions are to be received to discount those amounts. The interest rate is based on the rate at which ABC San Antonio can borrow the funding from a reputable bank or credit union. As of June 30, 2023 and 2022, ABC San Antonio has not recorded an allowance for uncollectible promises to give nor have they discounted contributions as there were no promises to give at year end for both years.

Property and Equipment

Property and equipment were recorded at cost or at the fair market value at the date of gift when assets are contributed. ABC San Antonio's capitalization policy requires that all items purchased with a useful life greater than 3 years and a cost in excess of \$5,000 be capitalized. Property and equipment are depreciated over their estimated useful lives (ranging from 3 to 40 years) using the straight-line method. Repairs and maintenance are expensed as incurred.

Revenue Recognition

Income from government grants and program services is recognized in the period in which the fees are earned.

Contributions from United Way are awarded by United Way annually and are recorded by ABC San Antonio in the period for which the award was granted.

Contributions are recognized as revenue when an unconditional gift or promise to give is received.

Gifts of cash and other assets are reported as net assets with restriction or net assets without restriction depending on the existence and/or nature of any donor restriction. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restriction are reclassified to net assets without restriction and reported in the statement of activities as net assets released from restrictions.

In-Kind Goods and Services

In-kind goods and services contributions that can be measured, and meet certain other requirements, are recorded in the financial statements as contributions and expenses of a like amount. In-kind contributions are measured and recorded at their fair values on the date of donation.

ANY BABY CAN OF SAN ANTONIO, INC.  
NOTES TO AUDITED FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2023 AND 2022

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Tax Status

ABC San Antonio has been granted exemption by the Internal Revenue Service (IRS) from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The IRS has also determined that ABC San Antonio is not a private foundation.

ABC San Antonio's management believes it has no material uncertain tax positions and, accordingly, it will not recognize any related liability. For the years ended June 30, 2023 and 2022 ABC San Antonio did not recognize any interest or penalties.

Tax years 2019-2021 remain open to examination by the taxing jurisdictions to which ABC San Antonio is subject, and these periods have not been extended beyond the applicable statute of limitations.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from such estimates.

Advertising

Advertising costs are expensed as incurred. Advertising expense was \$4,719 and \$4,417 during the years ended June 30, 2023 and 2022, respectively.

Functional Expense Allocation

The costs of providing ABC San Antonio's programs and activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific function are reported directly to that function.

Certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and benefits which are allocated on the basis of estimates of time and efforts, as well as utilities, repair and maintenance and insurance which are allocated based on square footage or some other reasonable basis. Computer support is allocated based upon the number of employees, by department. Depreciation is allocated by square footage by department on the building. Program materials, office supplies (except direct usage) is also allocated by number of employees by department.

Compensated Absences

Employees of ABC San Antonio are entitled to paid time off at varying rates based on length of service. Accrued vacation not utilized by employees by the end of their anniversary year may be carried over into the next anniversary year, up to the employee's maximum annual accrual equivalent. Unused, accrued vacation may be paid out upon resignation. Unused, accrued sick leave is forfeited upon separation from employment.

ANY BABY CAN OF SAN ANTONIO, INC.  
NOTES TO AUDITED FINANCIAL STATEMENTS (CONT.)  
JUNE 30, 2023 AND 2022

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Reclassifications

Certain accounts in prior-year financial statements have been reclassified for comparative purposes to conform with the presentation of current-year financial statements. The reclassifications have no impact on the change in net assets.

Subsequent Events

Subsequent events have been evaluated by management through January 16, 2024, which is the date the financial statements were available to be issued.

NOTE B – CONCENTRATION OF CREDIT RISKS

ABC San Antonio maintains cash balances at several financial institutions in San Antonio, Texas. Financial instruments that potentially subject ABC San Antonio to concentrations of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Deposits exceed the FDIC coverage at a banking institution by \$1,087,993 as of June 30, 2023. Deposits exceeded FDIC coverage at a banking institution by \$965,464 as of June 30, 2022.

NOTE C – CASH WITH DONOR RESTRICTIONS

Cash with donor restrictions as of June 30, 2023 and 2022, which is maintained in separate accounts known as the Reed Norman Memorial Trust and the Melissa Holliday/Graham Ladensohn Memorial Account, are included in the following:

	2023	2022
Cash and Cash Equivalents	\$ 9,037	\$ 9,037

NOTE K – LOCAL GOVERNMENT GRANT

ABC San Antonio’s accounting system follows operational guidelines in accounting for grant funds from the City of San Antonio. Revenue and expenses related to this grant are included in these financial statements as follows:

2023	Revenue	Salaries	Benefits	Communications	Total Expenses
City of San Antonio	\$ 107,793	\$ 107,455	\$ -	\$ 338	\$ 107,793

2022	Revenue	Salaries	Benefits	Communications	Total Expenses
City of San Antonio	\$ 91,865	\$ 91,419	\$ -	\$ 446	\$ 91,865

NOTE L – EMPLOYEE BENEFIT PLAN

Employees are eligible to enroll in the 401(k) plan the first day of each quarter, following six months of employment. ABC San Antonio does not contribute or match to the 401(k) on the employee’s behalf. G&A Partners became the administrator after December 2020.

NOTE M – ENDOWMENT FUNDS

General Information

ABC San Antonio maintains various endowment funds established for a variety of purposes. These endowments include both donor-restricted endowment contributions, and funds designated by the Board to function as endowments. The donor-restricted endowment funds fall under the provisions of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA), which was adopted by the state of Texas with an effective date of September 1, 2007. This policy defines ABC San Antonio's interpretation of the provisions of this law as they relate to the prudent management of its endowment funds.

Endowment "Principal" Interpretation

ABC San Antonio has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, ABC San Antonio classifies as net assets with donor restriction the original value of gifts donated to the permanent endowment (the “Principal”). The remaining portion of the donor-restricted endowment funds is also classified as net assets with donor restriction, until those amounts are appropriated for expenditure by ABC San Antonio in a manner consistent with the standard of prudence prescribed by UPMIFA.

NOTE M – ENDOWMENT FUNDS (CONT.)

Endowment Investment Objectives

Endowment investments are managed by professional money managers under the direction of the Board of ABC San Antonio. Funds are invested in a manner that seeks to produce results that meet or exceed the performance of generally recognized market indices, while assuming a moderate level of investment risk.

To satisfy this performance objective, ABC San Antonio relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). ABC San Antonio targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment “Income” Appropriation (Spending Policy)

The ABC Board is authorized, but is not required, to distribute the net income of the endowed funds annually. Any net income that is not distributed each year shall be available for distribution in subsequent years.

In accordance with UPMIFA, in all its endowment spending activity, ABC San Antonio considers the following factors in making a determination to appropriate (spend) or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of ABC San Antonio and the donor-restricted endowment fund
3. General economic and investment market conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of ABC San Antonio, and
7. The investment policies of ABC San Antonio

Endowment Net Asset Composition by Type of Fund as of June 30, 2023:

NOTE N – GRANT CONTINGENCY

Any Baby Can of San Antonio, Inc. is funded by various grant programs which are governed by various rules and regulations of the grantor agencies. Expenses charged to the grant programs are subject to audit and adjustment by the grantor agency. To the extent that Any Baby Can of San Antonio, Inc. has not complied with the rules and regulations governing the grant, refunds of any money received may be required. It is the opinion of management that there are no significant contingent liabilities relating to compliance with the rules and regulations governing the grants; therefore, no provision has been made in the accompanying financial statements for contingencies.

NOTE O – LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

ABC San Antonio has a goal to maintain financial assets on hand to meet at least 3 months of normal operating expenses which were approximately \$227 thousand per month in 2023 and \$196 thousand per month in 2022, given full programmatic expenses, excluding in-kind and depreciation. The organization has \$344,556 and \$180,713 of financial assets available to meet cash needs in the next year for general expenditures as of June 30, 2023 and 2022, respectively, as shown in the table below.

	<u>2023</u>	<u>2022</u>
Cash and Cash Equivalents	\$ 1,611,175	\$ 1,336,473
Short-Term Investments	67,831	60,636

The board designated endowment as well as board designated other funds may be used for operations in future years.

NOTE P – LITIGATION

The management of ABC San Antonio is unaware of any pending or threatened litigation.

Any Baby Can

COMPLIANCE SECTION

## INDEPENDENT AUDITOR'S REPORT

### REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors  
Any Baby Can of San Antonio, Inc.  
San Antonio, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Accounting Standards* issued by the Comptroller General of the United States, the financial statements of Any Baby Can of San Antonio, Inc., which comprise the Statement of Financial Position as of June 30, 2023, the related Statements of Activities, Functional Expenses, and Cash Flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated January 16, 2024.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements we considered Any Baby Can of San Antonio, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Any Baby Can of San Antonio, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Any Baby Can of San Antonio, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Any Baby Can of San Antonio, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted a certain matter that we have reported to management of Any Baby Can of San Antonio, Inc. in a separate letter dated January 16, 2024.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Armstrong, Vaughan & Associates, P.C.
